

REMARKS

Entry of this amendment is respectfully requested prior to examination of the application and calculation of filing fees. This Amendment is being filed in order to incorporate Article 19 and Article 34 amendments made in the International Application and to remove multiple claim dependencies. Applicant notes that the scope of the claims has not been narrowed for any reasons related to a basis of patentability, and, therefore, that no estoppel should attach.

Please charge any additional fees necessary for consideration of the papers filed herein and refund excess payments to Deposit Account No. 50-2929.

Should the Examiner have any further comments or questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,  
Irena HORSKA
